► The parts illustrated in this catalogue are all manufactured in high-quality steel suitable to uses requiring high wear-resistance. All the parts are interchangeable with the original ones. The original number has been given only for reference, in order to make the identification easier. **All dimensions are stated in millimetres (mm).**

► I particolari indicati in questo catalogo sono tutti prodotti in acciaio di alta qualità idoneo ad impieghi ove sia richiesta un'alta resistenza all'usura. Tutti i particolari sono intercambiabili con quelli originali. Il numero originale è stato indicato unicamente a titolo di riferimento per facilitarne l'identificazione. **Tutte le misure indicate sono in millimetri (mm).**

► Die in diesem Katalog gezeigten Artikel werden aus Stahl von hervorragender Qualität hergestellt, speziell geeignet für Verwendungen, die einen hohen Verschleißwiderstand verlangen. Alle Teile sind mit den Originalteilen austauschbar. Die Originalnummer wurde nur genannt, um die Identifikation zu erleichtern. **Alle Abmessungen sind in Millimeter (mm) angegeben.**

► Les détails indiqués dans ce catalogue sont tous produits en acier de toute première qualité indiqué pour des emplois qui requièrent une résistance à l'usure très élevée. Tous les détails sont interchangeables avec ceux originaux. Le numéro original a été indiqué seulement pour référence afin d'en faciliter l'identification. **Toutes les dimensions indiquées sont en millimètres (mm).**

► Все изделия указанные в этом каталоге производятся из высококачественной стали подходящей к использованию где нужна высокая стойкость к износу. Все изделия взаимозаменяемы с оригинальными. Каталожный номер указан в качестве ссылки для облегчения идентификации. **Все размеры указываются в миллиметрах (mm).**

► Las piezas que figuran en este catálogo están producidas en acero de alta calidad adecuado a utilizaciones donde se requiera una alta resistencia al desgaste. Todas las piezas son intercambiables con las marcas originales. El código original ha sido indicado solamente como referencia para facilitar la identificación. **Todas las dimensiones indicadas están en milímetros (mm).**

------------------------	----------------------

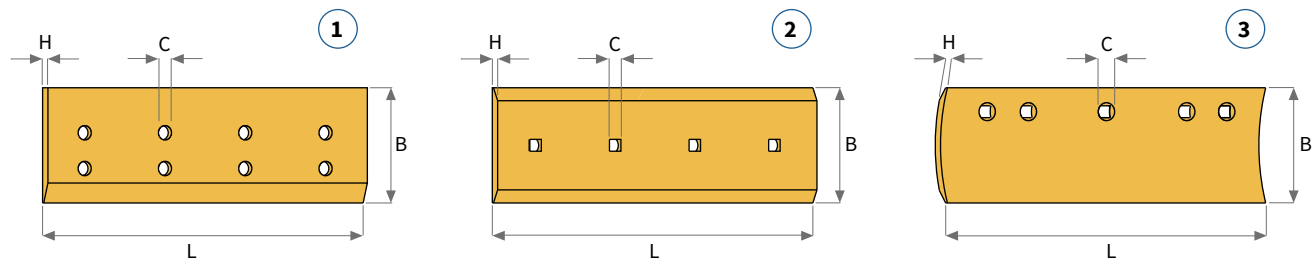

Blades produced as per original part number

- › Lame prodotte da riferimento originale
- › Messerstähle nach Originalnummer hergestellt
- › Lames réalisées à partir de la référence originelle
- › Ножи изготовленные по каталожному номеру
- › Cuchillas producidas según códigos originales

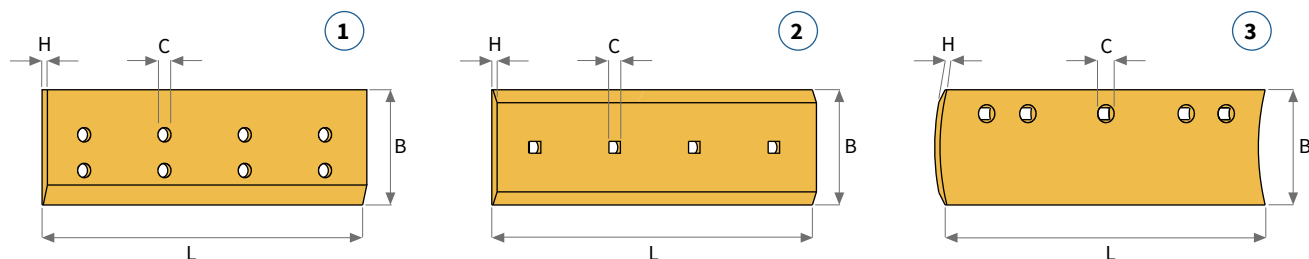

- › CATERPILLAR
- › JCB
- › KOMATSU
- › LIEBHERR
- › NEW HOLLAND

- Blades as per original part number are produced also for many other brands of earth-moving machines
- Le lame da riferimento originale vengono prodotte anche per molte altre marche di macchine movimento terra
- Messerstähle nach Originalnummer werden auch für vielen anderen Marken Erdbewegungsmaschinen produziert
- Les lames par référence originelle sont réalisées aussi pour nombreuses autres marques de machines de terrassement
- Ножи по каталожному номеру производятся также для многих других брендов землеройных машин
- Las cuchillas según códigos originales son producidas también para muchas otras marcas de maquinaria de movimiento de tierras

Blades manufactured with length and drilling on request

- › Lame prodotte con lunghezza e foratura a richiesta
- › Messerstähle mit Länge und Bohrung auf Anfrage hergestellt
- › Lames réalisées avec longueur et perçage sur demande
- › Ножи изготовленные с длиной и отверстиями на заказ
- › Cuchillas producidas con largo y taladros bajo pedido

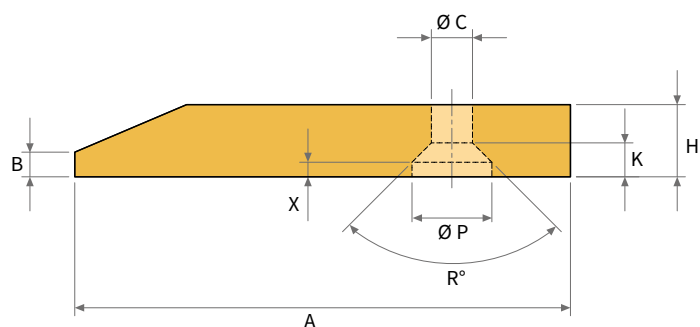

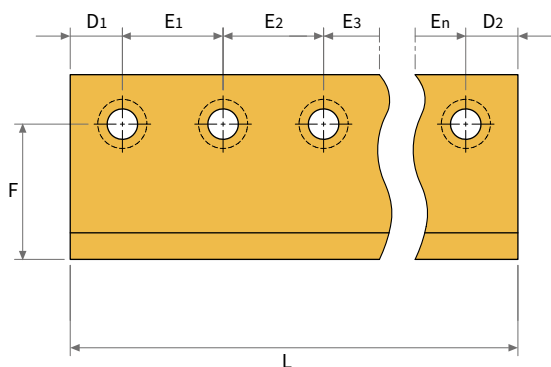

Single bevel blades produced with length and drilling on request

- › Lame ad uno smusso prodotte con lunghezza e foratura a richiesta
- › Einfasige Messerstähe mit Länge und Bohrung auf Anfrage hergestellt
- › Lames à un chanfrein réalisées avec longueur et perçage sur demande
- › Ножи с одним скосом с длиной и отверстиями на заказ
- › Cuchillas a un bisel producidas con largo y taladros bajo pedido
